

BUYER

Q1] What is a BOQ based bidding system?

A1] This is a Bidding method useful when Buyer has requirement of a number of line items to be procured together under one project head/contract.

Q2] DO I need to have a Category/Catalog uploaded in the CMS for Publishing Tenders/Bids ?

A2] No, a Buyer can select Category 'BOQ' from the drop down available in the Category section and proceed by Uploading Specifications related to the Goods to be procured.

Q3] How many number of Items/Products/Goods/Services can be added in a BOQ based bidding?

A3] The maximum total number of items-Goods/Services that can be added are up to 500 numbers.

Q4] Can I have Multiple Consignees for the same item in BOQ?

A4] Yes, Multiple consignees can be added to the item with same Item title or to different item title in the BOQ.

Q5] Can I add AMC/CMC/ICT(Installation,Commissioning&Testing) for the products inside the BOQ?

A5] Yes, Products and related AMC/CMC/ICT can be combined with any other related services to the Products being procured including Training .

Q6] Is the option of bunching available for BOQ based bidding?

A6] Yes, bunching of different products from the available Decalogue/category is possible as well as more than one BOQ can be bunched together with BOQ based Product/Item/Service selection.

Q7] Can I capture/add HSN/SAC codes in BOQ based bidding?

A7] Yes provision has been made for capturing HSN/SAC Codes in the system and the Seller may add these details in BOQ Price break up format sheet.

Q8] How can I get the information regarding the Make/Model offered by the Seller?

A8] Details like Make/Model are captured in the BOQ excel sheet which shall be filled by the Participating Bidder/Seller.

Q9] Can I have Bid to RA (Reverse auction) feature enabled in BOQ based bidding?

A9] Yes, provision has been made for Bid to RA option and this functionality can be availed by the Buyer during Bid creation.

Q10] Is list of Consignee ids and Zip code available ?

A10] Yes Consignee/reporting officer list is available to the Buyer with details pertaining to Consignee id, Zip code, Name & Address. The Consignee ID & Zip code can be copied and pasted in the BOQ excel sheet.

Q11] Can I have multiple delivery periods for individual line items?

A11] Yes, each item of the BQ can have different delivery periods depending on the Project/Buyer requirement.

Q12] I am getting an error message "**Buyer is allowed to enter data up to H column only. Please add details in the relevant columns only.**"

A12] You have added Data that has to be filled by the Seller/Bidder. Check your BOQ excel sheet,make corrections and then plod the file.

Q13] I am a Registered Buyer of GeM, is it possible to send Tender Publish notification to Sellers providing any specific category based selling of Products closer to the products to be procured through BOQ based bidding?

A13] Yes, a Buyer may select any three categories closest to the category available in GeM to allow notification of Tender Publish to those Sellers who have put their products in display under such Buyer defined categories.

Q14] I am a Buyer, I am using BOQ based bunch bidding. The estimate price reflected during bid creation is that of the

cataloger based product selected. Can I possibly change the estimate price?

A 14] Yes , you shall be able to change the estimate price by clicking on the Edit price button during bid creation.

Q20] I am a registered Buyer of GeM. Can I change the estimate price in BOQ based bidding?

A20] Yes, a Buyer can change the Estimate Price in BOQ based bidding as the Price reflected is not captured from the Decalogue selection.

Q21] Where shall the Seller specification & supporting documents be shown to a Buyer for Evaluation.

A21] A Buyer shall be able to view Seller compliance to specifications/supporting documents during Technical Evaluation stage as View Seller documents.

Q22] I am a Buyer, can I possibly seek clarifications for any documents/specifications put up by a Seller?

A22] Yes, Buyer can seek Clarifications during Technical evaluation for any of the documents put forth by the Seller.

Q23] I am a Buyer , can I negotiate with the L1 Seller/Bidder?

A23] Provision for online L1 negotiation can be exercised by individual Buyer keeping in mind the GFR Rules 173 (xiv) of GFR 2017 .Buyer has to select one choice from any four choices available in the bidding system or the reasons for which negotiations are being sought. Uploading a document from the competent authority is Mandatory.

Q24] How many attempts does a Buyer have to exercise negotiation with L1 bidder?

A24] Buyer can exercise L1 negotiation up to 5 attempts.

Q25] Do I have to calculate the Total price/value to be offered for the BOQ items.

A25] No, unit price (all inclusive) is to be filled in the BOQ excel sheet. System auto calculates the Total Price/Value.

Seller

Q1]DO I need to have a Category/Decalogue uploaded in the CMS for Participation in Tender/Bids published in GeM.

A1] No, a Seller need not have to upload or have an offering in the Market place for participation in BOQ based bidding.

Q2] Can every Seller participate in BOQ based bidding?

A2] Yes any Registered Seller of GeM can participate in the BOQ based bidding.

Q3] In bunch bid of BOQ with category/Decalogue based Products can every Seller participate in the Tender Published?

A3]No, only those Sellers/Bidders can participate who have offered their catalogues in the categories of the Products that are bunched with items of the BOQ.

Q4] Which type of BOQ File can a Buyer/Seller upload for filling the BOQ Priced sheet. What is its File Size?

A4] Upload File type shall be MS Excel & File Size is up to 10 MB.

Q5] Is spitting applicable in BOQ based bidding?

A5] No, spitting is not applicable for this functionality

Q6] I am a Registered Seller of GeM. Shall I get notifications encase BOQ based Tender is Published?

A6] Depending on the category selection by the Buyer in which he/she has an option of selection of three number of categories closest to the BOQ items to be procured, any Seller which falls under these selected categories put under display would receive the Tender Publish notification.

Q7] I am a Seller trying to provide specifications in a BOQ based bidding. Where can I upload my specifications for buyer

scrutiny/evaluation.

A7] A Seller can add Technical specifications along with any other relevant Decalogue details in the section 'Compliance to BOQ Specification & supporting documents'.

Q8] Seller is able to submit Revised Prices for the L1 negotiation request made by the Buyer?

A8] Yes, L1 Seller shall be able to upload a revised BOQ in the system and submit the Revised/Final prices as the case maybe.
